

# ВИЗИТКА двойная 90\*100

*линия фальцовки*

The diagram shows a double-sided business card layout. A horizontal dashed blue line across the middle represents the fold line. On the left side, three horizontal arrows point to the left, indicating different dimensions: a black arrow for 92\*102, a red arrow for 90\*100, and a blue arrow for 84\*94. The text labels for these dimensions are placed to the right of the arrows. The entire layout is enclosed in a blue border, with a red border on the outer edge.
